San Carlos de Bariloche 8400, Rio Negro, Argentina.

PROFESSIONAL EXPERIENCE

Lead UI / UX Designer (Contractor), November 2016 - Present.

Shotgunflat, development agency. Middleboro, MA, USA.

Work daily with the development team carrying out the design of the projects that come into the agency. The role presents multiple phases such as:

- Organization in early stages: rapid prototyping and information architecture
- Mockup design, UI Style Guides, and Kitchen Sink pages
- Preparation of deliverables for implementation in a development stage
- Quality Assurance

Highlights:

- More than 60 projects successfully completed
- Website redesign for more than 10 C-stores in the USA
- Work experience in multiple industries: finance, law, health, entertainment, hospitality, etc.

UI / UX Designer (Contractor), December 2016 - Present.

Digital Hothouse, marketing agency. Auckland, New Zealand.

Work on the design of websites that the agency develops for clients of scales and industries of all kinds.

Stand out:

- NEC New Zealand: website interface design and creation of design system
- Go Rentals: design of multiple sections within their website
- Grand Windsor Hotel: website UI and UX design
- CPG Hotels: website UI and UX design

Web Designer and Web Developer (Contractor), December 2018 - 2020.

Ambition, marketing agency. Buenos Aires, Argentina.

Created institutional websites, e-commerce and landing pages using WordPress as the core CMS.

Was in charge of the configuration, maintenance, and administration of the agency's server through the use of WHM and cPanel.
